

GERRY SPENCE TRIAL LAWYER'S COLLEGE

TRIAL LAWYER'S COLLEGE THREE WEEK PROGRAM

Spend 3 weeks unwrapping a wonderful gift box of "how to's" on Jury Selection, Opening Statements, Direct & Cross Examinations as well as Closing Arguments, all based on learning more of your own personhood. With the full power of knowing what makes one tick, the explosiveness of the trial components come alive through creative, spontaneous, outside-the-box innovations that capture and invigorate.

DEATH PENALTY SEMINAR

Through the generosity of several alumni, this year we are able to provide scholarships to defense lawyers, mitigation specialists and mitigation investigators who work together to fight the death penalty sentence for their clients. You will learn how to apply TLC's psychodramatic methods in all phases of a death penalty case, with an emphasis on revealing the negative effects of childhood trauma during the penalty phase.

June 11-19: Apply by April 15, 2011

Course tuition is \$1,750.00. Scholarships are available based on financial need.

"The Death Penalty Seminar is at the core of what TLC stands for including the abolishment of this barbaric practice. It's attendance is a critical requirement for any criminal defense lawyer who takes on a death penalty case." - Gerry Spence
